*Printable Activities Book 10*

## *49ers Treasure Hunt Board Game*

- ✦ Your goal is to reach San Francisco!
- ✦ Print your treasure map on double sided paper in landscape mode, action cards, and money. Cut out to create your board. Green action cards are for sailors, brown for merchants.
- ✦ Find a small object to work as your token. A coin or other board game piece works great!
- ✦ Every player starts with \$5 in their bank. If you go bankrupt, you must head to the Old Gaol on your map side for one turn.
- ✦ Each piece advances one space (black line) per turn. Everytime you advance, pick up an
- ✦ action card. Replace action cards to bottom of deck.
- ✦ Bring your treasure map to the Whaling Museum this Summer, it will act as one ticket!\*

\*one per family please.
